Description

Adelino is a pizzeria as well as a seafood restaurant. The Dover sole and the walleye filet are especially recommended. There is always fresh fish - no loveless frozen foods. Fish lovers always get their money's worth here. You can even inspect the fish beforehand, in the window display. The incomparable pizzas from the stone oven are prepared right in front of you, if you have chosen your seating accordingly. The dessert is also very recommended, particularly the "Tiramisu".
